

PetNivo Tech

We do not just sell products; we focus on what actually sells. Our portfolio is built around trending and high-potential categories designed to meet the diverse needs of modern pet parents.

Who We Are

At PetNivo Tech, we believe pet care should be smarter, simpler, and more reliable. We are a professional pet supplies trading company focused on total pet supply solutions. Our mission is to connect global partners with well-designed, practical products that improve everyday life for pets and their parents.

Why Choose PetNivo

Partnering with PetNivo means gaining access to a robust supply chain and a team of export professionals dedicated to your success.

Here is why businesses worldwide trust us for their B2B pet products.

OEM & Customization

Stand out in the competitive pet market with our comprehensive customization solutions. We understand that different markets have different needs, which is why we offer flexible private label and OEM options. From custom packaging to unique product designs, our team is ready to help you build a strong, recognizable brand.
